Outpatient Testing

Striving to make medical care more convenient, comfortable and accessible, we offer a full-range of outpatient diagnostic and treatment services including:

- High Tech Medical Park, situated on the campus grounds, provides MRI, CT, ultrasound, DEXA bone density scans and digital mammography services.
- The Advocate Christ Medical Center's Sleep Disorders Center offers patients and physicians state-of-the-art technology for comprehensive diagnosis of sleep problems.
- The Advocate Christ Cardiovascular Institute brings advanced cardi diagnostics, including stress testing, and respected cardiologists to the southwest suburbs. We also provide access to the comprehensive cardiovascular services at Advocate Christ Medical Center and Advocate South Suburban Hospital.
- Quest Diagnostic Laboratory provides on-site lab services.

Advocate Hope Children's Hospital

Advocate Hope Children's Hospital is the largest pediatric medical facility in Chicago's south and southwest suburbs. The 69-bed institution is staffed with more than 175 physicians in 30 specialties and subspecialties, including neonatology, developmental medicine, surgery, cardiology, hematology/oncology, genetics, endocrinology, adolescent medicine, critical care, neurology, gastroenterology and behavioral disorders.

Hope offers a Level IIIc neonatal intensive care unit, one of the largest pediatric cardiology programs in Illinois, and an internationally recognized pediatric hematology and oncology division. As a member of the National Association of Children's Hospitals and Related Institutions (NACHRI), Hope Children's Hospital is dedicated to providing quality care that is child friendly, family-centered and compassionate.

Advocate Christ Medical Center

Advocate Christ Medical Center is a world-class teaching and research institution and the fourth largest and second busiest hospital in the Chicago area. With more than 900 premier physicians in 60 specialties, we have earned an international reputation for a number of programs, including cardiology, oncology, orthopedics, pediatrics, surgical services, women's health and emergency medicine. Our emergency department, including a Level I trauma center, registers nearly 80,000 patient visits annually, making the institution one of the largest emergency and trauma centers in Illinois.

Christ was among one of the first medical centers in the United States to offer CyberKnife® Radiosurgery. The American Nurse Credentialing Center (ANCC) has awarded Christ Medical Center Magnet recognition, the highest honor in the nursing profession.

Part of Advocate Health Care, the leading provider of health care in Chicago, Christ Medical Center is also home to Advocate Hope Children's Hospital.
