Gottlieb Memorial Hospital  
701 W. North Avenue  
Melrose Park, Illinois 60160

**Hispanocare's La Edad De Oro®  
and Latinocare®**

Prescriptions, dental, eye and podiatry care is important, but Medicare does not cover these routine services.

That's why there is La Edad de Oro, a special program that provides discounts on prescriptions, optometry, Hearing Aids, podiatry, dental care and chiropractic to anyone who receives Medicare benefits, over the age of 65. "Medicare participants under La Edad De Oro will only benefit from services not covered by Medicare"

Our Professional Staff members can speak to you in Spanish about your health problems and concerns. We understand your language and culture and want you to feel comfortable with your health care.

"Because we are not an insurance, all providers accept any and all pre-existing conditions, have no limitations, and have no claim forms to complete."

**How does La Edad De Oro Work?**

Each time you use an affiliate dentist, optometrist, chiropractor, or podiatrist in our network, you receive a 20 percent reduction on your out-of-pocket expenses (not including deductibles or co-payments, and only on those services not covered by Medicare)"

As a member, you can also fill your prescriptions at a discount at over 44,000 pharmacies throughout the U.S. In addition, you can receive reduced rates on MedicAlert bracelets and pendants, and many other health-related services, which may not be covered by Medicare. You'll also receive a directory providing the names and addresses of all participating pharmacies, dentist's optometrists and podiatrists, and a newsletter that keeps you up-to-date on program benefits and medical news.

Remember that La Edad de Oro is ***not an insurance plan.*** It is a program that provides reductions on your total out-of-pocket prescriptions, optometry, dental and podiatry expenses when you use providers affiliated with Hispanocare.

**What about prescriptions?**

Hispanocare provides you with prescription discounts at over 40,000 pharmacies throughout the United States including Walgreen's and Osco.

If you have any questions regarding La Edad de Oro, please feel free to call us at 773/296/7157.
