

## Certificate of Completion Instructions

On-line submission of responses to questions for all 11 **FOREsight** monthly newsletters is not required for successful completion of the **FOREsight** curriculum, but is strongly encouraged.

Certificates verifying the total number of on-line newsletter response submissions will be awarded at the completion of the entire **FOREsight** program (January, 2008). Each monthly on-line module expires on the date noted at the top of each monthly on-line response form. (Completion of responses to questions in all 11 **FOREsight** monthly newsletters will be recognized by the Advocate IRB as satisfaction of the requirement for training in research ethics.)
