

## CNE Instructions

Advocate Health Care is an approved provider of continuing nursing education by the Illinois Nurses Association, an accredited approver by the American Nurses Credentialing Center's (ANCC) Commission on Accreditation.

**Upon successful completion of this continuing education activity:**

- Reading the monthly FOREsight newsletter
- Responding to questions related to both newsletter content as well as the required ANCC evaluation; and
- Submitting the completed monthly on-line response form

**0.5 INA contact hours will be accrued.**

On-line submission of responses to questions for all 11 **FOREsight** monthly newsletters is not required for successful completion of the **FOREsight** curriculum, but is strongly encouraged. Certificates verifying the total number of contact hours earned will be awarded at the completion of the entire **FOREsight** program (January, 2008). Each monthly on-line module expires on the date noted at the top of the on-line response form. (Completion of responses to questions in all 11 **FOREsight** monthly newsletters will be recognized by the Advocate IRB as satisfaction of the requirement for training in research ethics.)

**Address CNE contact hour questions to:** Lorene Schweig, RN at 847-723-1731; via email to [irb-foresight@advocatehealth.com](mailto:irb-foresight@advocatehealth.com).

*This activity is supported by a grant from the National Institutes of Health.  
The faculty has nothing to disclose.*
