Advocate Health Care

Anexo 1
Lista de FAP de Proveedores/Médicos

De manera consecuente con los valores de compasión y administración de AHC, es política de AHC proporcionar asistencia financiera a los pacientes que la necesiten. La Política de asistencia financiera (FAP) aplica a toda atención médica o de emergencia necesaria que brinda el hospital, pero no es vinculante para otros proveedores individuales (por ej. médicos) de servicios médicos fuera del hospital. Tampoco es vinculante para un proveedor, en el caso de pero sin limitarse a, el cambio de su relación de empleo con AHC o un cambio en su ámbito de práctica. Por lo tanto, ya que los médicos y otros proveedores incluidos en esta lista pueden cambiar cada cierto tiempo, AHC actualizará y publicará una nueva versión en este sitio web (www.advocatehealth.com/financialassistance) al menos trimestralmente.

Si el Estado de cobertura de la FAP del proveedor se muestra como "CUBIERTO BAJO LA FAP", entonces el proveedor o la atención de la práctica del proveedor (prestada en las instalaciones del hospital) está cubierta bajo esta Política de asistencia financiera. Si el Estado de cobertura de la FAP del proveedor se muestra como "SIN COBERTURA", entonces el proveedor o la atención de la práctica del proveedor (prestada en las instalaciones del hospital) no está cubierta bajo la Política de asistencia financiera.
