

ATTENTION

Walk-In COVID-19 testing NOT available at this site for individuals without symptoms. Those with symptoms will be assessed to determine if a test is needed.

If you are here because you suspect you have COVID-19 but don't have symptoms, here is how to get tested:

- Schedule a test at an immediate care center near you at **advocatehealth.com/locations**
- Call **866-443-2584**

If you have an emergent medical need, please proceed to the Emergency Department.
