

COVID-19 UPDATE

Immediate Care / Urgent Care Location Designations

Sites designated as "COVID" or "BOTH" offer COVID-19 testing for patients who are seeking urgent, walk-in care and who present with COVID-like symptoms. Patients who call their provider's office with COVID-like symptoms can be sent to one of these locations to be evaluated and to determine if a COVID test is required. In addition, patients who call the COVID-19 hotline who have COVID-like symptoms can be directed to these sites for medical evaluation and determination if a COVID test is necessary.
