NOT-FOR-PROFIT HEALTH SYSTEM

Advocate Lutheran General Hospital is a leading health care provider in Chicago's North and Northwest suburbs, offering a Level I Trauma Center, access to national clinical trials and advanced medical treatment in cardiology, cancer, neurosciences, orthopedics and women's health. Named among the nation's best hospitals by Newsweek and U.S. News & World Report, the hospital is on the leading edge of research and technology and is nationally accredited for its diagnostic and breast imaging services. Lutheran General has an 8,000-square-foot simulation training center and is a leader in graduate medical education, training nearly 1,000 students and 330 residents and fellows across 18 specialties each year. Located on the campus is Advocate Children's Hospital, one of the largest providers of pediatric services in the state and nation.

NATIONALLY RECOGNIZED FOR EXCELLENCE

CLINICAL EXPERTISE AND SPECIALTIES

Heart & Lung Care

Leading-edge diagnostics, rehabilitation services and minimally invasive procedures for complex heart and lung conditions. Home to an 8,875-square-foot cardiac rehabilitation center and a state-of-the-art cardiac catheterization lab. Ranked #46 in the nation by U.S. News & World Report for pulmonology and lung surgery.

Stroke Care

Comprehensive stroke program offering rapid identification, emergency treatment and an unmatched continuum of care. Highest level of neurological care provided through the Brain & Spine Institute and the Comprehensive Stroke Clinic.

Oncology

Comprehensive cancer care, emerging therapies, screenings and advanced treatment through bone marrow transplant program, Caldwell Breast Center, surgical oncology, dedicated Cancer Survivorship Program, outpatient infusion center and ancillary services offered in the Center for Advanced Care.

Maternal & Fetal Care

Multidisciplinary approach to caring for mothers carrying a child with known or suspected medical complications. Recognized as a Best Maternity Hospital by Newsweek and U.S. News & World Report for providing safe, high-quality care from before birth and beyond.

CARING FOR OUR COMMUNITIES

Adult Down Syndrome Center provides teens and adults with Down syndrome comprehensive, community-based care and education

South Asian Cardiovascular Center offers culturally sensitive care and community outreach to those of South Asian descent

Workforce development opportunities serving youth with employment and education barriers

Hospital-based food pantry and other initiatives to address food insecurity and provide the community with nutritious options

NOT-FOR-PROFIT HEALTH SYSTEM

Advocate Children's Hospital is one of the largest network providers of pediatric services in Illinois. A major referral center for infants and children, our two main campuses in Oak Lawn and Park Ridge combine some of the country's most respected medical talent with exceptional and compassionate care, making us a premier pediatric provider in the Midwest.

As part of the **Chicagoland Children's Health Alliance**, we're partners with Pediatrics at Endeavor Health, NorthShore University HealthSystem and University of Chicago Comer Children's Hospital in providing personalized care coordination services for children and families. Through our alliance, we've formed an integrated and comprehensive network of pediatric experts, from primary to highly specialized care, as well as maternal fetal medicine.

NATIONALLY RECOGNIZED FOR EXCELLENCE
