Hello,

A few weeks ago, we announced the next step in our journey to improve health and wellness on the South Side. We know it will take all of us working together to determine our plan for a major investment in this community – so we wanted to follow up with two ways for you to share your ideas and input.

First, please attend one of our community conversations:

- Tuesday, March 26 from 4–6 p.m.
Imani Village, 901 E. 95th St., Chicago
- Wednesday, March 27 from 10:30 a.m.–12 p.m.
Greater Morning View Church, 2335 E. 100th St., Chicago
- Tuesday, April 2 from 10–11:30 a.m.
Compassion Baptist Church, 2650 E. 95th St., Chicago
- Friday, April 12 from 10 a.m.–12 p.m.
Discover Center, 8560 S. Cottage Grove Ave., Chicago

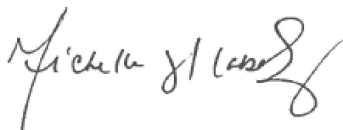

These are open to all and there is no need to RSVP. We will continue to add sessions over the coming weeks, please visit MyVoiceMyHealth.com for the latest list of listening sessions.

Then, if you aren't able to make one of our community conversations, please share your ideas with us online at: MyVoiceMyHealth.com/ideas

MyVoiceMyHealth.com was created with you in mind – it is our hub where you can provide ideas and suggestions, find information about upcoming community listening sessions, and watch our new video on the issues we're working together to solve.

Thank you for being an essential part of this journey. Let's make a difference together.

Sincerely,

Dr. Michelle Y. Blakely
