

# The care you need, close to home

## Neighborhood Care at Trinity

No appointment needed | Financial help available

Neighborhood Care gives you easy access to nonemergency care, routine health screenings and chronic care management. Our in-person team helps with your exam while you have a video appointment with a clinician. We also offer financial help to patients who qualify and can connect you with community resources for things like food, housing and transportation.

### Conditions we treat include:

- Anxiety and depression
- Diabetes
- High blood pressure
- Respiratory issues/sinus infections
- STIs/STDs
- And more
