NOT-FOR-PROFIT HEALTH SYSTEM

**Advocate Illinois Masonic Medical Center** named among the nation's best hospitals by Newsweek and US News and World Report for 2023, on Chicago's North Side is one of the state's largest, most comprehensive community teaching hospitals. It is affiliated with several universities and medical schools and provides a scholarly educational environment with an emphasis on clinical proficiency. There are currently over 250 residents and fellows across various areas of specialty. Illinois Masonic is a nationally recognized health care institution, a Level I Trauma Center and a Level III Neonatal Intensive Care Unit, and was named by Newsweek as one of America's Best Maternity Hospitals 2023 and America's Best Physical Rehabilitation Centers 2023. It offers a wide range of medical specialties with advance treatment and state of the art technology and innovations for patient comfort and clinical excellence.
