

Group Volunteering

Advocate Good Shepherd Hospital

Join us at the Smart Farm!

Group & Corporate Volunteering

Make a real impact while building stronger teams.

Bring your group to our Smart Farm for a hands-on volunteer experience that supports local food access.

What you'll do:

Harvest produce, wash and prepare food, and pack boxes for our Food Farmacy and local pantries. This is an active, fast-paced opportunity where everyone plays an important role.

Who can join:

- Corporate teams and employee groups
- Ages 16+ (or with a parent/guardian)

Details:

- 3-hour group shifts
- Up to 30 volunteers per session
- No experience needed
- Registration is required

If you are an **Advocate teammate**, scan this code or [follow this link](#) to learn more and sign up.

If you are a **community member**, scan the QR code or [follow this link](#) to learn more and sign up!

Smart Farm: Who we are

Our mission is to provide high-quality produce to our communities and those in need who are at risk of food insecurities, while being an educational resource on sustainable gardening and farming practices, healthy eating and strategies to help people Live Fully. We are in Barrington, IL on the Advocate Good Shepherd Hospital campus.
