Indications of Robotic Technology in General Surgery and Updated Approach to Colorectal Cancer Screening and Prevention

Wednesday, January 25, 2017 6:30 – 9:00 PM
Wildfire Lincolnshire, 23 Parkway Drive, Lincolnshire, IL
Dinner Provided

Learning Objectives – At the completion of this activity, the participant should be able to:

• Evaluate clinical advantages of applying minimally-invasive / robotic technology for treatment of most complex diseases in general surgery and apply to clinical practice
• Discuss options for colorectal cancer screening, 2018 population screening goal and common barriers to colorectal screening and apply to clinical practice

Target Audience: Physicians: Primary Care, Internal Medicine, Family Medicine, Chiropractors and Nurses

Format: Lecture, case-based discussion and Q&A

Disclosure: Acknowledgement of all disclosures, i.e. nothing to disclose or existence of relevant financial relationships, will be made at the activity. Conflicts of interest will be identified and resolved prior to the activity.

Commercial Support: No educational grants provided

ACCME Accreditation Statement: Advocate Health Care is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA PRA Credit Designation Statement: Advocate Health Care designates this live activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation Statement: Illinois Chiropractic Society sanctioning of any Continuing Medical Education seminar is in accordance with applicable rules of the Illinois Department of Financial and Professional Regulation. The Illinois Chiropractic Society makes no representation, either directly or indirectly, that substantive matter being presented is within the scope of chiropractic licensing in every jurisdiction. The Illinois Chiropractic Society reserves the right to cancel or adjust program dates, times, speakers, or locations if the need arises. Illinois chiropractic Society will not be responsible for registrants expenses should any program change occur. All classes announced will be held unless 24 hour prior registration indicates insufficient numbers to hold a seminar in which case those registered will be notified by phone, fax or email.

Credit Designation Statement: The Illinois Chiropractic Society’s Continuing Medical Education Committee approves this educational program for 2 Category 1 credit hours.

CE Hours for RN: Re-licensure shall be earned by verified attendance or participation in a program or course that is offered or sponsored by an approved CE Sponsor. This includes any conference that provides approved Continuing Medical Education (CME) as authorized by the IL Medical Practice Act. 1 CME = 1 Nursing CE.

2.0 contact hours will be awarded upon successful completion of the program. Criteria for successful completion for nurses: completion of the evaluation and attendance of the entire event.

Registration is free, but advance registration is required. Email registration only.
Deadline: Friday, January 20, 2017  Send an email to: Carol.rizzie@advocatehealth.com
