I. PURPOSE

The purpose of this policy is to establish rotation scheduling guidelines/standards for medical student rotations within Advocate hospitals, clinics or AMG offices. Advocate has a limited capacity for student rotations and the priority is to meet the demand of affiliated medical schools, based on contractual obligations as well as Advocate sponsored residency program recruitment needs.

II. POLICY

The policy of Advocate Health Care is to only accommodate students for required or elective rotations who are from schools with the following accreditations:

- MD students must be enrolled in a school accredited by the Liaison Committee on Medical Education (LCME)
- DO students must be enrolled in a school accredited by the American Osteopathic Association (AOA)
- DDS students must be enrolled in a school accredited by the American Dental Association
- DPM students must be enrolled in a school accredited by the Council on Podiatric Medical Education

III. DEFINITIONS/ABBREVIATIONS

AMG- Advocate Medical Group
**Required Rotations:** rotations required of all students in order to graduate, as defined by the school

**Elective Rotations:** rotations required by the school in order to graduate but for which the student has a variety of choices

**Medical Student**—a graduate student enrolled in an accredited medical, dental or podiatry program

**IV. PROCEDURE**

All Affiliation Agreements for medical student rotations must be with an accredited school.

Only students from accredited schools as defined above will be allowed to schedule required clinical rotations with the Advocate system.

Only students from accredited schools as defined above will be allowed to schedule elective rotations within the Advocate system
