Since 1979, the Advocate Childhood Trauma Treatment Program has provided a range of specialized services for children, teens, and families that have experienced sexual abuse and maltreatment.

**Services provided by CTTP:**

**Counseling Services:** Our staff provides specialized counseling services to treat a variety of behavioral and psychological conditions, including sexual abuse, traumatic experiences, maltreatment, attachment disorders, post-traumatic stress disorder (PTSD), depression, anxiety, ADHD, child & adolescent sexual behavior problems, and other behavioral difficulties. Caregivers are included in our treatment, and are offered support and behavioral management training to help enhance the treatment and healing process.

**Trauma Assessments & Sexual Behavior Problem Assessments:** We provide specialized psychological testing focused upon exploring and clarifying psychological conditions and diagnoses, effects from trauma, sexual behavior problem issues (if applicable), and treatment planning needs and recommendations.

**Child Sexual Abuse Prevention Workshops for Adults:**
Our staff offers empowering multi-media the Stewards of Children™ workshops for adults to learn how to prevent and react responsibly to child sexual abuse, with continuing education credits available.
